Coaching with Lorna has been one of the most powerful experiences of my life. Her Prosperity coaching has brought me over \$10,000 in new income in two months! And I'm continuing to manifest more money, partnerships & opportunities. I am embracing more freedom & fun in my career, lifestyle and in my relationships.

- Cindy Klok- Health & Wellness Coach

Lorna Blake is a star coach because she tailors her sessions to fit your needs and consistently seeks out constructive feedback, which proves she values your success and her own. She considers me a star student because I love power strategies (for my mind) and I actually implement them. After moving cross country, I sought out coaching with Lorna and she helped me increase my income by 100% over three months.

Cha-Ching! - Venus Jones Speaker

I hired Lorna as my coach to help me get past blocks in my life. Almost immediately I experienced a shift & began seeing results in my creative work - in my day job, but also in some success with a new photography hobby I've taken up. Her ability to address a range of issues with a very nimble approach was just wonderful. Highly recommended.
